Lut Jones, for stealing a ringbelt from the Wall street grade, was held over Tuesday in the sum of \$100 for appearance before the next Grand Jury.

Owing to the failure of the electricity last night, THE LEDGER was edited largely by old-fashioned gaslight. Hence it is not as bright as it ought to be.

Miss Nora King of this city was one of the attendants at the wedding of Miss Anna L. Alexander to Mr. William B. McIntosh at Indianapolis some days ago.

At Commissioner's sale in Lexington a paid-up life insurance policy for \$521 in favor of L. E. Pearce was bought by the State National Bank of this city for \$150.

There's no flies on Judge Dora of Germantown. He's putting a handsome new front in his store. The old one was worn out by an incessant stream of customers.

Miss Jennie Moore, who has been at Hayswood Seminary for several years, is to be a member of the faculty of a new music school to be started at Cincinnati, to be known as the Krugor-Hayward Conservatory of Music.

Mr. C. E. Gruell, aged 28 and married, died suddenly Monday afternoon at 5:40 near Mt. Gilead. His former home was at Falmouth, and he had resided here about two years. The remains were shipped to Falmouth this morning over the L. and N.

Paris C. Brown, a prominent tobacco grower of Moscow, O., died Monday at the Seton Hospital, Cincinnati. He suffered from paralysis of the throat and mouth, and being unable to take any nourishment, starved to death. His interment occurs today at Sandy Springs, O., opposite Vanceburg.

Mr. S. Frankman and family, consisting of self, wife and three children, were at the New Central yesterday, en route from a residence in Carlisle. They will make their future abode at Augusta, their former home, which Mr. Frankman says is, next to Maysville, the biggest place—of its size—on earth.

At DeKalb Lodge last evening there were about a dozen visitors from Mayslick, who had come to witness the initiation and conference of the Degrees upon the Rev. Mr. Horner and Messrs. Williams, McCarthey, Roberson and Duncan. Mr. Williams made a thorough examination of the stables, and was delighted with the live stock of the Lodge. These gentlemen are members of Mayslick Lodge whose building burned recently; hence their coming here for the occasion.

## PLENTY OF SUGAR.

M. C. Russell Co. received 100,000 pounds of Granulated Sugar yesterday in barrels and bags.

## MRS. H. D. SLOOP.

Mrs. H. D. Sloop died at her home on Kennedy's Creek last night at 9 o'clock, after an illness of three weeks from typhoid fever.

She was 48 years of age and is survived by her husband and three children—two sons and one daughter.

The funeral will occur from her late home at 3 o'clock tomorrow afternoon, with services by the Rev. Mr. Willis, and the interment will be in Maysville Cemetery.

## GEORGE MITCHELL.

Mr. George Mitchell, son of James Mitchell, deceased, died of heart failure at 6:30 this morning at his home in West Third street.

He was about 40 years old. He was preparing to go down to breakfast when he was stricken.

A doctor was sent for but he died before his arrival. He is a brother of Mrs. Clarence L. Salloe. He was a young man generally liked by a large acquaintance.

Owing to the absence of Mr. Salloe, no funeral arrangement has yet been made.

## Notice!

Mr. George W. Oldham has accepted a position with THE PUBLIC LEDGER as All-Around-Man-About-Town-and-in-the-Office. He will have charge of the circulation and carriers, solicit subscribers, advertising and job printing, collect and receipt for accounts, jot down local happenings, and do things to be done generally in every well-regulated newspaper and job printing establishment.

Mr. Oldham is too well known to need any introduction to the people of Maysville; but we bespeak for him a cordial welcome when he solicits your order—or your cash.

## KILLED BY FREIGHT.

Ernest Hafer Met Death on the C. and O. Last Evening.

Ernest Hafer, aged 17 years, was killed at the Coal Docks just above the city about 7 o'clock last evening by Freight No. 72, passing East.

It appears that Hafer, with a lot of companions, has been in the habit of "jumping" freight trains and riding to and fro between the West End Station and the Coal Docks, in spite of the local law that prohibits this practice.

His body was cut in two and both arms were severed.

His remains were taken at once to Q. A. Moane's undertaking establishment.

The father of the young man resides in the First Ward.

## SHEEP KILLED BY DOGS.

Loss to Mason County Farmers \$690 Within Past Six Months.

The following parties have had sheep and lambs killed by dogs, since the first of February last, within a radius of three miles of Forman's Chapel: Joe Fields, 18; William Talley, 20; Ben Clark, 8; Mrs. Allen Grever, 9; Cal Arthur, 13; Ed Herndon, 8; Ernie Doyle, 2; Austin Smith, 3; Ben Hixson, 8; William Fyles, 19; Henry Fyles, 2; Abe Shepherd, 2; George Flanagan, 2; Alex Caywood, 6; G. W. Stiles, 6; Bruce Moore, 6; Henry Stout, 6.

This makes a total of 138 head, and at \$5 per head would make a money loss of \$690.

When it is considered that all this destruction occurred within a radius of three miles, what must the loss have been in the entire county?

Surely Mason's next Representative at Frankfort ought to lend an effort to secure a law that will protect the sheep-raiser, by a dog tax, from which fund the farmer may be paid for his losses.

## LYNCHING IN FLEMING!

Wm. J. Thacker Taken From Jail Last Night and Hanged.

Had Been Given Two Life Sentences For the Murder of John Gordon Near Foxport.

A mob of some fifteen or twenty men from the Foxport neighborhood went to Flemingsburg last night and took from the Jail there William J. Thacker, held for murder, and hanged him to a tree some three hundred yards from the Jail.

Two weeks ago from last, night a similar attempt was made to get the prisoner, but failed.

Last night between 12 and 1 o'clock a party of men knocked at the home of Jailer Morris.

Upon opening the door Mr. Morris was grasped by a couple of men, others entering the room and securing the keys to the outer door of the Jail, which were lying on a table nearby.

The keys to Thacker's cell were then taken from the pocket of Mr. Morris, and the men at once went for the prisoner.

Getting him outside his cries for mercy were quieted by a blow from a stone.

Thacker was dragged to a tree some three hundred yards from the Jail on the Mt. Carmel pike and hanged.

At 3 o'clock this morning his body was cut down by the Fleming authorities and removed to Jail, where it was prepared for burial.

Thacker some two years ago killed John Gordon of the Foxport neighborhood.

He had been twice sentenced to the Frankfort Penitentiary for life, and at the last term of the Court of Appeals his case was sent back for a third trial, and he was in Jail awaiting the action of the Fleming Circuit Court.

An old-fashioned cowhiding was administered to Richard Hathaway, a fifteen-year-old Negro of bad repute, at Flemingsburg Monday night, the whip being wielded by the boy's mother in the presence of the Town Marshal. Hathaway on two occasions has insulted white ladies on the streets, and his second offense Saturday night aroused indignation. His mother agreed to administer the punishment, and the city authorities were present to see that the work was well done.

A pitched battle occurred on Coal Branch, in Greenup county, Saturday night between the Whiteleys on one side and Bartens on the other. A Church festival was in progress when the fight began, and every light in the Church was shot out. Over 100 shots were fired, but no one was hurt. The participants were all drunk.

Messrs. Trisler, Goodwin and Winters have launched the Bluegrass Broom Factory at 615 East Second street, giving Maysville two industries in that line. There's space enough for all, and with plenty of home-made brooms there oughtn't to be any catwalks on the old town.

## Away Ahead of Schedule

At the death of an eccentric citizen in an Ohio village it was learned that he himself had written out and entrusted to a marble cutter the legend that was to be graven on his tombstone. When the lettering was completed the villagers all went out to view the epitaph, and this is how it read—

I EXPECTED THIS, BUT NOT SO SOON.

It is the same way with these 10c, 12½c and 15c Lawns that we are going to put on sale Friday at one price of 7½c PER YARD, and the Mercerized 10c Lawns at 12½c PER YARD—we expected to sell what was left of them cheaper some time this summer, BUT NOT SO SOON. We have a reason. The goods and the prices are what you are after. Leave the reason to us.

If the Cincinnati Reds should happen to get 550 per cent., the Limberger cheese down there would have a fit.

The New York Labor Unions having agreed to do away with those chronic dead-beats known as Walking Delegates, things will now go smoother in labor circles.

Six deaths from lockjaw in Cincinnati and two in Louisville on the same day bear testimony to the effectiveness of the toy pistol as a murderous weapon. The parents of these children, or whoever provided the deadly things, ought to be indicted for murder.

It looks as if Kentuckians are no longer able to get beyond the second letter in the alphabet in naming a Governor. In succession there have been BLACKBURN, BUCKNER, BROWN, BRADLEY and BECKHAM, with an almost certainty of having either BECKHAM or BELKNAP for the next.

This is more than a "billion dollar country." The Pennsylvania terminal, to be erected in Manhattan, will be the biggest railroad station in the world, with accommodations for handling 200,000 passengers a day or about 70,000,000 or 80,000,000 a year. From sixty to ninety trains will enter and leave it hourly.

WILLIAM JENNINGS BRYAN has announced his intention of going to Europe this fall to study the free and unlimited coinage of sociology under monarchical forms of Government. It is the intention of Mr. BRYAN to sail early in September and remain until the end of the year, and early in 1904 he will begin injecting the new bacilli into the Presidential campaign.

Six young men, ranging from 13 to 20 years, died a few days ago in the Cincinnati Hospital from lockjaw. They were all victims of that pretty little plaything, the toy pistol. Of course the parents of these boys will next Fourth of July provide the rest of the children with an outfit of the same kind.

SOME 70,000 skilled mechanics in the building trades have returned to work in New York under the modified plans of the Employers' Association, Unions with that membership having voted to accept the terms of the employers, one of the effects of which is to do away with the Walking Delegates and refer all disputes to a joint board of arbitration. With the mechanics a large number of laborers returned to work, and operations were resumed by material supply men.

THE attention of Mr. BRYAN of Nebraska and of the Bryanites of Sardis is respectfully called to a deplorable state of affairs in Cincinnati. There's \$4,500,000 in gold coin in Uncle Sam's Sub-Treasury down there, and neither the Banks nor anybody else will take it. The fact is, gold goes a-begging, in spite of the Bryan war-cry a few years ago that if the country didn't adopt the free silver craze the child wasn't born who would ever be able to get hold of another gold coin with a grappling-hook. As a false prophet Mr. BRYAN is entitled to first place in Barnum & Bailey's big menagerie.

EVEN so great and so good a Democrat as Mr. BRYAN would find it an uphill job to beat this New York schoolboy in giving a reason for his faith.

The teacher at the District School up at Peekskill called up the two brightest boys in his class one day and said:  
"Tom, you are a Republican?"  
"Yes, sir."  
"And, SAM, you are a Democrat?"  
"Yes, sir."  
"Well, now, the one of you who can give me the best reason why he belongs to his party can have this wood-chuck I caught on my way to school this morning. Now, TOM, why are you a Republican?"  
"I am a Republican," said the boy, "because the Republican party saved the country in the War, abolished slavery and brought about the resumption of specie payments, and has done everything for the good of the country."  
"That is a good reason," said the teacher. "Now, what is the reason you are a Democrat, SAM?"  
"Well, sir," was the reply, "I am a Democrat because I want the wood-chuck."

# Make Hay While the Sun Shines.

Make all the hay you can. Providence helps them who help themselves. A good high price is offered you for hay. Help yourself by saving all of your grass. MINNIE MOWERS AND RAKES will cut and save anything that grows out of the earth! There is a big difference in mowers. Some cut well but are horse killers. Others run light but rack to pieces in a few short years.

**THE LOST IS FOUND!** What you have been looking for is a grubbing machine that will not ruin your team.

**MINNIE'S GUARANTEE.** Is that she will cut anything from bluegrass to briars and run lighter to your team than any other mower made! The Minnie is Bicycle Bearing throughout, high wheels, wide tread, and has a pitman rod 40 in. long. Compare this high wheel, wide-tread mower with others having a 24 inch pitman rod, and it will make them look like 30 cts. badly mutilated. The Minnie Mower is strong where others are weak, and that is in the cutter bar joint. We guarantee the hinge and shoe upon the Minnie to weigh four times as much as the hinge and shoe upon any other mower.

**A MINNIE CUTTER BAR WILL STAY IN LINE.** We ask you in all fairness did you ever see any other mower that the cutter bar would not drop back out of line? You know full well that when the cutter bar sags back the sections all cut into the guards and the machine chokes continuously.

The Beautiful Minnie Mower has overcome this greatest objection to all mowers.

**AN INGENIOUS PATENT.** And well worth your inspection is the Foot Lift upon the Minnie Mower. It is a Yankee trick sure; the cutest thing that we have ever seen.

**SIMPLE ENOUGH AFTER YOU KNOW HOW.** And any of us ought to have had sense enough to have invented it. Listen! One single lever raises and lowers the cutter bar and locks and unlocks the cutter bar when in an upright position! All done with one lever without getting off the seat! Wonderful but true.

**THE MINNIE RAKE IS UP-TO-DATE.** And we earnestly ask all of you to call and look at the new patents upon both the mower and the rake whether you have any idea of buying or not. Call and see the new patents. Delighted to show them to you.

**WE TRADE MOWERS.** Bring in your old worn out mowers and we will trade you a new one. We will give you more for your old mower than you will ever get again.

**WE HAVE A PLACE FOR OLD MOWERS.** Special contract. Competition not on to yet. We can give you three times as much for an old rattle-trap mower as any one else can. TRY US!

## NERVOUS DYSPEPSIA ITS CAUSE AND CURE

Overwork any organ and it gives out—the stomach is no exception. Ask it to digest anything and everything, at any time in half the time required, and like an over driven horse, it balks. Nature intended the stomach should have regular hours. A time to work and a time to rest—and when you break up this habit you upset the whole arrangement. The stomach nerves become exhausted, the glands refuse to act, the food does not digest—lies heavy, ferments and repeats. There is pain, gas forms, bloating occurs, the heart becomes irregular and a nervous, irritable feeling sets in. This is nervous dyspepsia and Dr. A. W. Chase's Nerve Pills its cure.

Mr. J. L. Nicholson of No. 508 Limestone street, Maysville, Ky., says:  
"I was bothered with severe nervousness, sleeplessness, dizziness and indigestion. Hearing of Dr. A. W. Chase's Nerve Pills sold at Chenoweth's Drugstore, I decided to try a box. As a result my nervous system is in fine condition—I sleep well and am no longer bothered with those distressing dizzy spells—my appetite and digestion are fine and I feel generally vigorous. I can't recommend Dr. A. W. Chase's Nerve Pills too highly."

In 1891-2 The Courier-Journal of Louisville, Ky., inaugurated and carried to a successful issue the first great estimating contest ever conducted by a newspaper. This contest was based on the Presidential election of 1892, and \$14,400 was distributed to Courier-Journal readers.

In response to numerous requests, The Courier-Journal has decided to inaugurate another similar contest, based on the total vote cast for all candidates for Governor of Kentucky in the election November 2d, 1903. Ten thousand dollars (in gold, silver or greenbacks) will be given away to successful estimators. There will be single gifts of \$5,000, \$3,000, \$1,000, \$500, \$300, \$200, \$150, \$100, \$50 and \$20, and 1,670 gifts of \$10 each. In addition there will be gifts of \$500, \$300 and \$200 for the best estimates received before August 1st, before September 1st and before October 1st. ## A GREAT TRUTH.

How It Has Spread from Home to Home in Maysville.

In every part of Maysville, in the homes of the wealthy, in the humble abode of the man of toil, 'tis now a well known fact, a great truth, that Doan's Kidney Pills have brought more comfort to backache sufferers and cured more sick kidneys than any medicine of modern times.

Mrs. M. C. Chisholm of 343 East Second street says:  
"Mr. Chisholm speaks in high terms of Doan's Kidney Pills. He procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and their use proved them to be an effective kidney remedy. I have heard others express their appreciation of Doan's Kidney Pills. A medicine which cures kidney trouble is a most desirable one of which to know."

AFFIRMS THE SUIT.

Decision of Appellate Court in Case of Pogue vs. Ross.

The Court of Appeals recently affirmed the suit of Pogue, etc., vs. Ross, etc., taken up from the Mason Circuit Court, Judge Hobson delivering the opinion.

S. borrowed \$5,000 from his sister, for which he executed an obligation to hold it in trust for the benefit of herself and children. Appellants signed same as sureties.

In an action to recover the amount of said loan appellees insist that they are not bound for same, as the entire amount was not loaned to S. at the time the obligation was executed, and that after they signed same the paper was altered by adding thereto, without their knowledge or consent, the provision that additional sureties would be added if desired by the beneficiary. They also insist that by the terms of the instrument the money was to be invested in stock of a distillery company for the beneficiaries, and that if there is any liability on the part of the sureties it is only for the residue over and above the value of said stock.

Held.—That although S. did not receive all the money at the date of the obligation he subsequently received it and the obligation speaks from that time, and not from its date. The obligation was a loan of the money and not an investment in the stock for the benefit of the beneficiaries. The proof as to the alteration of the instrument being conflicting, and the laches of the sureties in pleading the alteration, the Court held that the decision of the Chancellor below in favor of the integrity of the paper is sustained.

W. H. Mackay, Pogue & Pogue were the Attorneys for appellants; C. L. Sallee, Breckinridge & Shelby for appellee.

Very Remarkable Cure of Diarrhoea.  
"About 6 years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that the bottle of medicine, costing but a few cents, cured me." For sale by J. Jas. River News

The river is falling at this point.

The Bonanza for Pomeroy will pass up tonight.

The Keystone State from Pittsburgh will be down tonight.

The Henry M. Stanley will pass down tonight from Pomeroy.

The Joe Williams and Alice Brown, with their tows, went out of the Ohio Sunday.

The Ed. Roberts for Pittsburgh and the J. B. Lewis and Robert B. Gilham for Kanawha passed up with empties.

The fall in the Monongahela and Allegheny rivers has been checked for a short time, both streams beginning to rise Monday morning. This rise comes just in time to prevent a suspension of packet trade and allows the empties to get into Pittsburgh.

Steamboat inspectors George H. Atkinson and Isaac B. Williams rendered decisions in four cases at Pittsburgh. In the case of J. B. Henning, of the Tornado, it was recommended that his license be suspended sixty days from July 15, for using more steam than allowed. The charge against F. A. Bonner, engineer, and G. B. Alexander, fireman of the Carbon, and Frank Jenkins, of the Tornado, were dismissed.

Chief Clerk James F. Nutty of the United States Engineer's office has finished the compilation of a comparative statement of traffic and commerce on the Ohio river at Louisville. The figures show considerable increases in most branches of commerce. Passenger traffic through the Louisville and Portland Canal has fallen off, but the number of towboats and coal barges passed through has greatly increased. Through the open river (over the Falls) the year shows an increase in both passenger and freight traffic. The total amount of freight through the Canal and over the Falls is 2,035,427 tons, as against 1,472,545 last year. It is surpassed only by the years 1880-90, 1892-3, 1891-2 and by 1901-2. The freight traffic through the Canal does not make so good a showing compared to other years as that over the Falls. The figures show: Passenger boats through Canal, 507; towboats, 863; coalboats

and barges, 3,052; miscellaneous, 657; total Canal traffic, 5,079. Over the Falls: Passenger boats, 210; towboats, 815; coalboats and barges, 1,553; miscellaneous, 65; total, 2,643; aggregate Canal traffic, 7,722. Commerce through the Canal: Coal, 768,804 tons; other freight, 224,995; total, 993,799. Over the Falls: Coal, 934,548 tons; other freight, 108,881; total, 1,043,397; aggregate through Canal and over Falls, 2,036,427. The best previous aggregates are: 2,222,683 for 1901-2; 2,172,661 for 1892-3; 4,691,784 for 1891-2, and 2,771,586 for 1889-90.

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home.
